Dear Families,

We can't believe it has been two months of school already. Time flies when you Work Hard, Be Kind, and Have Fun! Our clubs and activities are starting up. We currently have Choir, Arts & Crafts, and Sports Clubs already in session. Starting in October there will be Cheer, Dance, and Genius Club. Just a reminder that academics come first, and students in activity-based clubs will need to attend Genius Club if they are behind on several assignments, need extra assistance, or need to re-take tests. I want to congratulate all our Student of the Month winners for showing outstanding empathy toward others. Continue to be a role model and leader to your classmates and school! Parents, we are seeing an increase in rough play during recess. Games such as tag and chase will not be allowed moving forward as this only leads to injury, especially when played on the blacktop. We want our kids to have fun during recess and know that accidents happen, but we all need to be safe. Any games where we run around must take place in the field.

Thank you for your continued support at home,
Admin Team

Barber Best MONTHLY FOCUS

KINDNESS

Treat others with kindness

During our Monthly assembly last week we talked about what kindness looks like, and what unkind words can do to our hearts (unkind words can wrinkle our hearts for a long time). Throughout the month we will be looking for students who are being friendly, showing empathy, helping others, doing nice things, being an upstander and ACTIVELY showing kindness in various ways. We are excited to see our students show kindness this month!
